

**MICHIGAN DEPARTMENT OF CIVIL SERVICE
JOB SPECIFICATION**

PSYCHIATRIC RESIDENT

JOB DESCRIPTION

Employees in this job serve as psychiatric residents in an approved psychiatric training program and provide various related medical services.

There is one classification in this job.

Position Code Title – Psychiatric Resident

Psychiatric Resident P11

This is the experienced level. The employee performs a full range of professional assignments in a full functioning capacity. Considerable independent judgment is used to make decisions in carrying out assignments that have significant impact on services or programs. Guidelines may be available, but require adaptation or interpretation to determine appropriate courses of action.

JOB DUTIES

NOTE: The job duties listed are typical examples of the work performed by positions in this job classification. Not all duties assigned to every position are included, nor is it expected that all positions will be assigned every duty.

Attends lectures and receives intensive training from both the resident staff and the consulting and teaching staff of a hospital or clinic.

Receives training in psychopathology, psychotherapy, psychodynamics and other related areas.

Prepares assigned cases, makes ward rounds, and enters into clinical activities under the supervision of an assigned staff member.

Completes mental, physical and neurological examinations of patients on assigned caseloads.

Assists in the diagnosing and treatment of medical problems of patients.

Prepares case histories.

Maintains records, prepares reports, and conducts correspondence related to the work.

Performs related work appropriate to the class as assigned.
